B) Subjects to be enrolled

Please note that:

- 1) Check the [Curriculum](#) of your Master's program in order to know what subjects you can enroll in.
 - 2) Choose one option between the following:
 - a) Full-time basis: This is the only available modality in some of the Master's programs. It applies when you select **every subject from the first academic year**.
 - b) Part-Time: Depends on the Curriculum of the program you must select, in your first enrollment, **30 ECTS from the 1st academic year / 18 ECTS in the second academic year**.
 - 3) In case you are planning to apply for [BECA MECD](#) you must select 60 ECTS. Nevertheless, it could be processed as PART-TIME SCOLARSHIP* (which will only entitle you to receive enrollment grant and the minimum variable income) if you enroll between 30 and 59 credits, which you must entirely pass.
- (*) Except for those Master's that, according to their Curriculum, must get enrolled into 54 credits in the first academic year.
- 4) Regarding the **Master Thesis** registration, please ask for more information to your Postgraduate Student Office or Master's Academic Direction the specific rules that could affect the registration of this subject.

5) Complementary Courses:

In case you have been admitted and you need to take the Complementary Courses, you will see them included in the subjects to choose, **being mandatory** and you will see them classified as "Additional training":
